

# **DATA NEWS LIVE**

**YOUTH TURN NUMBERS INTO CHANGE**

**90-MINUTE GROUP PERFORMANCE ACTIVITY**

# WHAT PARTICIPANTS DO

- 1** **Draw 2 data cards** with real statistics about poverty, jobs, housing, sanitation, and more
- 2** **Assign roles:** news anchor, field reporter, data expert, community voices
- 3** **Create a 5-minute live news broadcast** combining both challenges
- 4** **Show how youth use data** to solve problems in their cities
- 5** **Perform for other groups** and share your stories

## CORE SKILL:

**Taking complex statistics and turning them into compelling stories that make decision-makers pay attention**

# ACTIVITY STRUCTURE

**15 MIN**

## **SETUP**

Draw cards, assign roles, plan segments

**50 MIN**

## **CREATE BROADCAST**

Rehearse, add interaction, make props

**25 MIN**

## **PERFORM**

All groups present their broadcasts

**5 MIN**

## **REFLECT**

Discuss learnings and impact

**TOTAL: 90 MINUTES**

# THE OUTCOME

Participants experience the **FULL CYCLE OF DATA ACTIVISM**—understanding problems, building narratives, and showing pathways to action—through **PERFORMANCE RATHER THAN LECTURE.**

**UNDERSTANDING  
PROBLEMS**

**BUILDING  
NARRATIVES**

**PATHWAYS TO  
ACTION**
